

Graphic Design & Video Creation and Editing Intern

Position: Graphic Design & Video Editing Intern

Duration: 3 Months

Work Mode: Remote

Openings: 1

Stipend: Unpaid for the initial three months, extension of 3 months and on successful completion paid internship

About the Role

We are looking for creative individuals who enjoy designing graphics and editing videos for social media. You will help create engaging visual content, develop our brand identity, and turn marketing ideas into compelling designs and videos.

Responsibilities

- Design social media posts, carousels, and promotional graphics.
- Edit short videos for Instagram Reels, YouTube Shorts, and other platforms.
- Create visually appealing content for marketing campaigns.
- Work with the content and marketing teams to develop creative ideas.
- Maintain a consistent visual style across brand pages.
- Explore new design trends and creative formats.
- Organise design files and deliver work within deadlines.

Requirements

- Students in their second year or above from any academic stream.
- Creativity and an eye for design and visual storytelling.
- Willingness to experiment with different styles.
- Ability to work independently and incorporate feedback.
- Interest in creating content for digital platforms.

Bonus: Canva, CapCut, Figma, Adobe Photoshop, Illustrator, Premiere Pro, or DaVinci Resolve and using AI for video creation and editing.

A portfolio is welcome but is not mandatory if you are a beginner with demonstrable interest and willingness to learn.

What You Will Gain

Practical experience in graphic design, video editing, brand identity, and creative marketing campaigns. Strong performers may be considered for future paid internships or full-time roles, subject to business needs and availability.
